RE: Homeward Pet Adoption Center to Celebrate 25,000th Adoption!

LOCATION: Homeward Pet, 13132 NE 177th Place, Woodinville, WA 98072

DATE: First or Second Week in May, 2015

Woodinville, Wash— Homeward Pet Adoption Center will soon celebrate another milestone in their 25 year history. Their 25,000th adoption will happen sometime in early May, with the lucky adopter receiving a special gift package from Doggy Haven Resort, VCA Sno-Wood Animal Hospital, Therapeutic Paws Massage, PetPros, Boo Boo Barkery and more! Homeward Pet looks forward to having this special match made during their silver anniversary.

Visit <http://www.homewardpet.org> to learn more about Homeward Pet and to see their available cats and dogs. At Homeward Pet our skilled Adoption Counselors are ready to give you personal, one on one attention to help you find the best match, one that will become a lifelong member of the family. Remember, adopting a spayed or neutered animal helps reduce pet overpopulation and saves one more cat or dog from being homeless.

This year, Homeward Pet Adoption Center celebrates 25 years as one of Washington State's leading non-profit, no-kill animal shelters, with special events and adoption promotions throughout 2015. Many of the animals given a second chance at Homeward Pet are rescued from shelters that are often forced to resort to euthanasia.

The Homeward Pet Low Cost Spay & Neuter Clinic provides affordable surgeries for the pets of reduced income families, and the Homeward Pet Food Bank partners with 25 local retailers and 10+ area food banks and outreach programs to distribute pet food and supplies to families in need in our community.
