Cozy Cat Blanket

Supplies: Fleece (print and/or solid), Scissors, measuring tape

- **Choose two pieces of fleece that you like.**

- **Cut both to the desired blanket size and lay one on top of the other. Make sure the sides that you want to show are facing out.**

- **Size should be 4" larger on each side than the finished blanket size.**

- **Make 4" cuts every 1/2" or so in both layers of fleece, keeping them lined up.**

- **Tie each strip from the top layer in a knot with the strip from the bottom layer.**

Continue all the way around the blanket.
