Welcome!

Dear Friends,

I am thrilled you could join us this evening for the 2018 Fur Ball Auction and Dinner! At this time last year, I had only just come on board as Homeward Pet's Executive Director, but I remember being blown away that night by the outpouring of love, compassion and warmth extended to the homeless animals in our care. Tonight, I know, will be another evening I couldn't possibly forget.

Over 500 of our fellow animal lovers have come together this evening to pledge their commitment to fight pet homelessness: we're here because we believe that every animal, young or old, deserves another chance at finding a devoted home. We're here because we understand that animal welfare is our collective responsibility. And we're here because we want to make a real difference for homeless animals—both today and for years to come.

Tonight is about the cats and dogs in Homeward Pet's care. It's about making a life-changing difference for the most vulnerable animals in our community and advocating for animal welfare. It's also, of course, about raising money to turn our passion and energy into successful programs where abused, neglected, and forgotten animals will thrive.

I hope tonight inspires you, and you leave here knowing the impact your effort and contribution has on homeless animals.

Gratefully,

A handwritten signature in blue ink, appearing to read "Gary Rubin".

Shelter Essentials

Help us purchase essential equipment and supplies for the dogs and cats at Homeward Pet! Your fully tax-deductible donation will go directly toward the purchase of your selected items and benefit the animals of Homeward Pet. Thank you for your generous support!*

Medical Illuminations MI-550 Surgical Light

As Homeward Pet has grown to care for nearly 2000 animals a year, we've outgrown our current lighting setup for dental cleanings, extractions, and exams. Upgrading to a professional-grade overhead surgery light reduces the risk of injury to animals and veterinarians during examinations and other procedures. With our current setup, a veterinary assistant often needs to provide more lighting during a procedure. By freeing up assistant time, more animals can be seen by our clinic and thereby be ready for adoption.

The MI-550 light has a 50,000 hour-rated LED life, which means it will last us for years to come while consuming a small amount of energy. The 11-foot reach provides the best illumination and maneuverability for our veterinarians.

Retail price: \$3000

\$100 suggested donation goes toward cost and installation of light

Jorgensen Aspiration/Suction Unit

The health and well-being of our animals is always our top-priority during medical procedures. During high-risk abdominal surgeries, fluid may need to be removed from a surgical site. An aspiration suction unit will complete this task in a fully sterile manner, greatly decreasing risk of infection. Its use also shortens surgery time, which reduces time animals spend under anesthesia.

Retail price: \$600

\$25 suggested donation goes toward the cost of the suction unit

**Once Shelter Essentials and Behavior Team goals have been met, any additional funds raised will help with the completion of both projects or go to the direct care of the shelter animals.*

Pay It Forward

Help us find great, permanent homes for our current and future shelter residents looking to start the next chapter of their lives. Your donation will help cover the adoption fee of a homeless cat or dog as well as their care during their stay with Homeward Pet. Because of your support, once we've found their perfect match we'll be able to send that animal home with their adoption fee already paid. The new family will then be able to devote more to the care of their new furry friend.

\$100 per cat suggested donation
\$175 per dog suggested donation

Behavior Teams & Kennel Enrichment

The shelter can be a stressful environment. The Behavior Teams work with animals with behavior challenges, anxiety and lack of socialization through positive training sessions, agility and play groups. Our Kennel Enrichment Program offers in-kennel stimulation, including music, scent therapy and more. Tonight you can support our efforts to grow these programs to spend more time helping the animals who need it most.

Paws for a Cause

Tonight, you've seen and heard about the work we do to help homeless animals in our community, many of whom are brought to us from difficult circumstances: some are kittens barely weaned from their mothers, others are seniors confused by their new environment after their owner's passing, and still more are strays who were forced to fend for themselves for far too long.

To ensure animals in our shelter thrive, we need to give them a solid foundation of care. We need to have the medical team and equipment to address chronic conditions and provide preventative care. We need to carry out training programs that help our animals build basic skills and overcome the stress of the shelter. We need to continue to be a resource for families living on fixed incomes with beloved pets by providing access to services that ensure the well-being of their animals.

All the medical care we provide, all the behavior training we do, all the care provided by our hardworking staff and volunteers, and all of your generous support leads to this: you help us change lives—and complete families.

We ask you to support our efforts to give every animal the help they need, regardless of the time, effort or cost of care—and support our mission to make more life-altering connections of love and friendship. Soon you will have the opportunity to join our auctioneer and raise your paddle at the following levels: \$10,000, \$5,000, \$2,500, \$1,000, \$500, \$250, \$100. On behalf

of Homeward Pet and all the animals and humans your gift will help, thank you for your compassion and generosity.

Homeward Pet's very own van is in need of a new model for the hood! The van was purchased in 2005 and is a staple for the work we do. Each week, our Shelter Manager transports cats and dogs from

other rescues to Homeward Pet, helping municipal shelters that are flooded with strays reduce euthanasia rates and volunteer-run, foster-based rescues move animals to more urban parts of the state for adoption. The van has been the first step toward a fresh start and bright future for thousands of animals, and after all these lifesaving transports, the hood is now fading and in need of a makeover—and your pets are the perfect models!

General Rules

All items must be paid for and removed at the end of the evening. Payment may be made by cash, check, or credit card. All items are sold "as is" and all sales are final. Homeward Pet Adoption Center has attempted to describe all packages correctly, but neither we nor the Auctioneer warrant nor represent and shall in no event be held responsible for the correctness of descriptions of warranties on the goods or services sold. Buyer represents that he or she has inspected goods and accepts all responsibilities. No description or statements made in the catalog or made orally at the auction shall be deemed a warranty or assumption of liability. Homeward Pet Adoption Center reserves the right to withdraw any item from the sale before final call for bids.

Silent Auction Rules

Your catalog and bracelet contains your bidder number. All items have an adjacent bid sheet. Enter your bid by legibly writing your bid number opposite the desired bid amount. If you really want an item, write your bid number in the box labeled "Guaranteed Bid" and it is yours! Once a guaranteed bid has been entered, bidding on that item is closed. The silent auction will be closed in three separate sections. Each section's closing time will be announced. At that point, all bidding on that section ceases. The closing bid circled by an auction official constitutes the winning bid.

Live Auction Rules

Your bid card will be on your dinner table. To bid on an item, raise your bid card so that the Auctioneer can acknowledge it. You are the successful bidder when the Auctioneer says, "SOLD" and acknowledges your bid number—this acknowledgment constitutes a legal contract to buy. In the event of a dispute between bidders, the Auctioneer shall have sole discretion to determine the winning bid or to re-offer the item in dispute.

Payment

All sales are final. For items that are jointly purchased by two or more parties, payment must be made by the signer/designated bidder who shall arrange for reimbursement from the co-purchasers. Paper receipts are not required for item pick-up and will not be provided unless specifically requested. All receipts will be emailed within 1 week of the auction. Should you not receive your receipt following the event, please contact lindsay@homewardpet.org or (425) 488-4444 ex. 4015 for assistance.

Tax Deduction

Auction purchases may be tax deductible as provided by law. Only the portion you pay above the declared value is tax deductible. However, please consult a tax advisor regarding tax laws and the deductibility of certain purchases.
