Thank you for helping to spread the word about Homeward Pet's services and outreach. Here are some pieces of information you can use in messaging:

## General

Homeward Pet is one of the leading nonprofit, no-kill animal shelters in Washington State. Our mission is to give homeless animals a second chance through our rescue, shelter, and adoption programs. Located in Woodinville, Homeward Pet finds new homes for more than 1800 cats and dogs, puppies and kittens every year. We are dedicated to providing excellent care to our animals, and great service to our community. As a privately funded 501(c)3 charity, we rely completely on donor support to help us provide food, shelter, vet care and more to each homeless cat or dog in our care. Over 75% of every dollar donated goes to the care of our animals.

## Spay/Neuter

Our **Low Cost Spay & Neuter Clinic** is an important way for us to work to control pet overpopulation in our area. We provide affordable spay or neuter surgeries for over 1000 cats and dogs each year, helping to break the chain of unwanted litters and homeless animals. By offering affordable microchipping, Homeward Pet is helping to make sure that lost pets get returned to their families.

## Homeward Pet Food Bank

The Homeward Pet Food Bank feeds homeless animals and helps families keep their beloved pet in their home by distributing pet food and supplies to families in need in our community through local food banks and outreach programs. Last year, the Homeward Pet Food Bank fed nearly 2000 animals in the shelter and distributed over 155,000 lbs. of pet food to area food banks, community organizations and partner rescues.
