

2020

Annual Impact Report

Inside, you will find inspiring stories of animals and people whose lives have been impacted by your support in 2020.

A message from our Executive Director

I don't believe there is any one of us who will forget 2020. It was quite a year that tested and challenged each of us to evaluate our priorities, reflect on our values, and lean in where it counts.

Thanks to you, Homeward Pet not only "survived" 2020, we adapted and grew with the challenges of COVID, knowing that in this crisis, you were—and continue to be—there to support successful, positive outcomes for homeless animals in Western Washington.

While our doors closed to protect staff, volunteers, and the public, foster families opened their homes to dogs and cats that would have normally stayed in our shelter. Each animal continued to receive medical and behavioral support, and when we were able to resume adoptions, your generosity allowed us to do so in a safe way that decreased stress for the animals, adopters, and staff.

The incredible value you place on the lives of companion animals is seen in every gift of time, care, and support. You are the reason Homeward Pet not only survived 2020; you are the reason we thrived.

Thank you for caring. Thank you for giving. Thank you for being part of our community.

You are Homeward Pet.

All the best,
Nanette McCann

Veterinary Clinic

« Mason's Road to Happy & Healthy

Previously underweight and suffering from untreated kidney and thyroid disease, Mason now is comfortable and happy in his new home—all thanks to our clinic team's expert diagnosis and treatment.

307 total number of public spay & neuter surgeries performed

780 total number of veterinary procedures

Behavior Program

Sam's Behavior Success Story »

When Sam arrived at Homeward Pet, she had a tough time telling the difference between her toys and hands or shoes. Thanks to weeks of behavior training, Sam stopped nipping at clothing and arms, and is now happy in a loving home.

69 cats & 31 dogs trained in the shelter prior to adoption

{ **354** total number of animals helped via public behavior consults }

Volunteering
