

**Title:** Veterinarian  
**Reports to:** Clinic Manager  
**FLSA Status:** Exempt  
**Job Type:** Full-time

**POSITION SUMMARY:**

Are you the new Veterinarian that Homeward Pet Adoption Center is looking for? Do you love helping dogs and cats find furrever homes and working directly with animals rather than with the animal's guardian? You will no longer need to write up estimates for clients as we are able to provide our animals with the services they need. You must be willing to become a part of our small, outgoing Clinic team and laugh at our dark humor in private behind closed doors. Preferred hours for position Tuesday-Saturday.

We perform a large number of spay and neuters but Homeward Pet is also a great place for you to remain proficient in your surgical and diagnostic skills – amputations, enucleations, mass removal, and more. If we have a procedure to be done and you want to do it, just say so! We have the time for you to improve your surgical speed if that's a concern and, while we believe we have quality, effective protocols in place, we are always open to new ideas. Did we mention dentals? We have more rotting teeth than you can possibly imagine. (We offer masks, goggles and a Plexiglass sneeze guard) Irresistible, isn't it? Apply online today before everyone else!

Responsible for medical care provided to clinic patients in accordance with established policy and procedure. Provide highest quality medical care possible to patients served through spay/neuter clinics in a humane, fear free and professional manner. Provide guidance and medical direction to clinic staff and volunteers as necessary.

**ESSENTIAL DUTIES AND RESPONSIBILITIES**

- Promote the humane care and treatment of animals at all times
- Adhere to the highest ethical standards and provision of veterinary care in a safe, competent, professional and humane manner
- Supervise patient flow to maximize quantity and quality of services provided
- Complete wellness and surgical procedures in a competent, safe and efficient manner
- Available by telephone or cellular phone after hours for occasional post-surgical complications or emergencies

- Input medical notes and surgery records within 24 hours using PetPoint database
- Maintain controlled drug logs
- Maintain clean, neat and orderly work area at all times
- Assist with monitoring use of medical supplies and supply requisition
- Comply with established clinic protocols
- Adhere to applicable state and federal laws governing the practice of veterinary medicine
- Adhere to parameters of approved budget
- Participate in special events and perform other duties as required
- Maintain strict confidentiality of client, patient and donor information

### **QUALIFICATIONS**

- Must embrace the mission of Homeward Pet
- Licensed to practice Veterinary Medicine in the State of Washington, required
- Shelter medicine experience preferred
- Strong written and oral communication skills
- Ability to work with a diverse group of individuals, including staff and volunteers
- PetPoint knowledge preferred
- Required to complete Fear Free Shelter Medicine certification

### **WORK ENVIRONMENT**

- Employee will be required to lift patients, equipment and supplies up to 50 pounds
- Considerable walking, standing and moving of equipment and patients
- Occasionally exposed to toxic or caustic chemicals, sharp instruments and risk of electrical shock
- The noise level in the work environment is usually moderate

**Salary:** D.O.E

**Benefits:** Medical, Dental, Vision insurance. Reimbursement for license, liability insurance and AVMA membership

**Job Location:** 13132 NE 177<sup>th</sup> Place, Woodinville 98072
